Rules and Regulations for Golf Carts in the Town of Kouts

- You must have a valid driver's license to operate a golf cart in the Town of Kouts.
- Golf carts shall obey all traffic regulations applicable to motor vehicles.
- Golf carts shall display a slow-moving vehicle sign or red or amber flashing lamps attached to the rear of the golf cart.
- Golf carts shall not be permitted to operate on State Road 49 or State Road 8 with the exception that State Road 49 and State Road 8 can be crossed in order to freely move from the East and West sides of the Town as well as moving from the North and South sides of the Town. Golf carts shall not be permitted to operate on any sidewalks in the Town. You may only operate your cart on the roadways or parking lots, unless marked differently, within the Town of Kouts. Operation of your cart is not allowed in the landscaped grounds.
- The operation of golf carts on public streets shall be limited to daylight hours, unless the golf cart is equipped with headlamps, tail lamps, and stop lamps. When driving the golf cart around the Town of Kouts, operator shall follow the same rules of the road that apply as if you were driving a car. Use hand signals, stop at stop signs, and give way to pedestrians and cyclists. Operator shall watch out for pedestrians and cyclists when driving around the Town of Kouts as some of the pedestrians and cyclist are listening to music through earphones and can't hear approaching golf carts. Operator shall give "right of way" to all pedestrians.
- Golf carts shall not be operated at speeds higher than 35mph.
- The operation of a golf cart must maintain Liability Insurance on the golf cart in the amount not less than the amount required to operate a vehicle in the State of Indiana.
- Notwithstanding anything to the contrary, operator and operator's golf cart must comply with all State and Town Laws at all times.
